

Term 4 -Week 10

This Newsletter is the last for the year. I truly believe we have a great school with an amazing community that are always willing to support our students so that they can achieve and be the best they can be. We look forward to 2017 and all that we can build upon from this year. We will continue to embed our school vision (where students will have success for today and be prepared for tomorrow), strengthen our Positive Behaviour for Learning -S.T.A.R.S. initiatives and continue to update our classrooms so that we enhance the learning opportunities provided for ALL our students.

We will continue to foster Creativity, Innovation, Effective Communication and Positive Relationships as our core fundamentals. Thanks again for all your support, generosity, feedback and conversations throughout the year-it's greatly appreciated.

Draft Classes for 2017

Dear Parents and Families of Gwandalan Public School,

This year we will be publishing DRAFT CLASSES for 2017 in this, the final Newsletter. This will give students the opportunity to prepare for the upcoming year. As our numbers have risen dramatically in 2016 these class layouts are **ONLY in DRAFT form** and may change in 2017.

We would like to **REMIND all of our community that classes are made up by social, academic and personality components** whilst supporting the opportunities for individual success. There will be some changes to where teachers are located with majority of classes grouped together.

SPECIAL NOTE : Classes may change in the event of student numbers across the school.

Final class allocation will occur in the Week 2- Term 1 - 2017.

Please we ask ALL Parents and Friends of Gwandalan PS to please review these classroom allocations in a positive manner as we hope to hit the ground running in 2017.

We are hoping to generate more collaboration, parental support and positive interactions across our school in 2017.

(We display safety, we encourage Teamwork, We Aim High, We show Respect so that we can achieve.)

1J

This term in 1J we have been busy learning all about China. We have learned about the Chinese culture including celebrations and traditions. We have compared and contrasted how their houses, schools, food and transport are different to Australia, and we have studied lots of different Chinese landmarks and animals. I think our favorite has definitely been the Giant Panda. We have also played lots of different traditional Chinese games during our P.E lessons.

A couple of weeks ago we learned how to use chopsticks, this was difficult! We used the chopsticks to paint decorations on our Chinese drums during a CAPA lesson.

It was lots of fun and our drums sounded great.

Christmas in 3/4E

3/4E have been getting into the Christmas spirit. We have been hard at work creating decorations for our tree, angel pin art, Grinch and Rudolph artworks. We even turned ourselves into elves!
